## **PART ONE: FIE COMMUNITY STANDARDS AND VALUES**

FIE is a community (consisting of staff, faculty and students) that prides itself on its diversity and inclusivity, while engendering a welcoming, supportive, fair and inclusive living, learning and working environment, in which the rights and dignity of the community are respected.

FIE expects all members of its community, its contractors and visitors to maintain polite, ethical, professional and respectful behaviour, treating each other with respect, professionalism, politeness and consideration.

Studying and living in at FIE requires all individuals to be responsible and respectful of the policies, procedures and standards that have been established to protect each student, ensure personal and FIE property is well-maintained and protected, and to maintain a reasonable sense of order and structure. The standards and values below, combined with the Residential Policies and Procedures in Part Three, assist us in providing a safe, clean and academic environment.

All FIE students are members of a larger community and are expected to conduct themselves, at all times, in a manner that represents FIE values and adheres to the Code of Conduct. The standards and values outlined below in Parts One through Five apply not only to FIE's residential areas, but to all academic and recreational areas including Foundation House, study tours, co-curricular activities/field trips, extra-curricular activities and any other FIE-sponsored activities and events. Off-campus violations of the Code of Conduct can be subject to the same disciplinary processes as on-campus/residence violations.

FIE reserves the right to update and amend the Code of Conduct; students are expected to comply with the most up-to-date Code of Conduct which can be found on the FIE website.

### **1.1 COMMUNITY STANDARDS**

As students, staff and faculty of FIE, we strive to:

- Unite all students as a part of the FIE Community, which equally values each member regardless of class or place of residence, their sex, sexual orientation, age, marital status, colour, creed, race, ethnicity, national origin, religion and belief, gender, gender identity, or disability.
- Promote a shared responsibility for upholding the community values and standards amongst students and Residence Life staff.
- Increase communication and awareness of the community values and standards between students and staff.
- Encourage student and staff behaviours that demonstrate pride and respect for their living environments.

## 1.2 COMMUNITY VALUES

As a member of this community, I will:

- Practice personal and academic integrity.
- Accept responsibility for my own actions.
- Hold others accountable for their actions.
- Be a responsible, honest, active member of my residence community.
- Respect and care for myself, my friends, other people and their property.
- Accept responsibility for the actions of the members that I bring into the community.
- Follow all Residence Life Policies and Procedures as outlined in the FIE Code of Student Conduct.
- Follow all policies, procedures and expectations of my home university's guidelines.
- Value diversity and inclusivity, and learn from differences in people, ideas and situations.
- Value sustainability and social justice within the FIE community and its facilities.
- Regard FIE's residences, buildings, spaces, activities and classroom facilities as safe spaces to live, study and work with students, faculty and staff.
- Foster a living and learning environment that is free from harassment, discrimination, victimisation and bullying.
- Ask questions and actively listen in order to understand each member as an individual and avoid stereotypes.
- Be open to new ideas and to people who disagree with me.
- Respect and cooperate with FIE staff and personnel who work within our community.
- Comply with the law within the Royal Borough of Kensington and Chelsea, including respecting Quiet Hours (**11pm – 8am**)
- Recognize and respect the role and authority of FIE staff and affiliated staff and comply with reasonable requests made in the performance of their duties.
- Recognize my role and responsibility to the community outside of my university and FIE; this includes conducting myself in a manner consistent with FIE values both within and without FIE residences, buildings, and activities.

## **PART TWO: RESIDENTIAL POLICIES AND REGULATIONS**

### **2.1 ALCOHOL AND DRUGS POLICY**

Policies and procedures related to alcohol and drug possession, use and distribution are based in national and local laws as well as FIE's commitment to fostering a safe, supportive and academic environment for our students. These policies apply to all FIE spaces, including but not limited to: in and around FIE residence halls; non-FIE residence halls in which FIE students reside; Foundation House; external academic spaces; FIE sponsored activities including extra-curricular events, co-curricular events and study tours; and the Dublin Business School.

Students with the legal right to possess and/or consume alcohol must do so with responsibility and respect for themselves and others. FIE encourages students to promote healthy decisions and behaviours which ensure the use of alcohol does not negatively impact their academic goals and the larger FIE community.

All students will be held accountable for their actions and decisions made under the influence of alcohol and/or other drugs.

#### **General Regulations: Alcohol**

- Alcohol beverages may not be consumed and/or in the possession of any individual under the national legal drinking age; in the United Kingdom and Republic of Ireland this is 18.

## Local and National Regulations

- The Royal Borough of Kensington and Chelsea is a designated controlled drinking zone. Metropolitan Police and Police Community Support Officers have the right to confiscate alcohol (open and unopened) from people behaving in an antisocial manner in public; this includes on the streets and pavements as well as in the parks.
- Students are expected to abide by all local, city and federal laws and regulations regarding alcohol when traveling outside their FIE city of study. FIE encourages students to be proactive in becoming knowledgeable of regulations and laws prior to their travel and to be mindful and respectful of not only local laws but also customs and cultural expectations and practices.

## General Regulations: Drugs

- FIE prohibits the illicit use, consumption, sale, distribution, possession and cultivation of illegal drugs.
- Drug related paraphernalia is prohibited; this includes but is not limited to bongs, grinders, etc.

Any threat of violence, including reference to use and/or possession of firearms or ammunition, will be treated as a serious and potentially life-threatening situation. Members of the FIE community are therefore expected

to temper their language appropriately and report any concerning behaviour or language to FIE immediately.

### **General Regulations: Fire Arms and Weapons**

- FIE prohibits the possession and/or use of weapons of any type in and around their facilities. This includes but is not limited to firearms, knives (excluding appropriate kitchen cutlery), and weapons used in hand-to-hand combat. *Students who pursue personal interests that include materials prohibited by this policy (e.g. martial arts, fencing) must speak with the Director of Residence Life or the Director of Facilities **prior to** bringing equipment in to FIE facilities.*

As stated in the 'Dignity and Fairness at FIE' policy, FIE is committed in fostering a positive environment that is:

- Free from any harassment, bullying, victimisation and discrimination;
- Developing an atmosphere in which all members are treated with dignity and fairness; and
- Ensuring that no one in the community feels under threat, degraded, humiliated and/or intimidated.

**Harassment** includes but is not limited to: creating a hostile environment; retaliatory harassment; sexual harassment; and hate incidents (that is, words or actions that target an individual on the basis of race, colour, nationality, ethnic or national origin; sex, sexual orientation, gender identity or expression; marital or parental status; religion, belief or lack of religion/belief; age; disability; genetic information; or veteran's status).

**Discrimination** includes treating someone unfairly because of who they are and is unlawful under all Equality Acts. Discrimination generally happens based on either a person's protected characteristic or the assumption that a person belongs to a certain protected characteristic.

**Victimisation** occurs when a person is treated badly or unfairly and subjected to harassment, bullying or discrimination

FIE will not tolerate any form of disrespectful or abusive behaviour with or to other students, residents, staff, visitors, contractors, or the public. This includes verbal and written communication, physical conduct, and interference/obstruction of staff or failure to comply with staff requests made in the performance of their duties.

- On-line gambling (including browsing on-line gambling or gaming sites) is prohibited.
- Accessing pornographic materials is prohibited.

- Sharing folders or files on Local Area Network (LAN) or Wide Area Network (WAN) is prohibited.

## 2.11 KEYS

Residents are issued keys upon check-in; keys are on loan to residents for the duration of their stay but remain the property of FIE. At no time should keys be sold, traded, given to or duplicated by another party. This includes giving keys to visiting friends or family, students from other FIE programmes, or any other guests.

Additional procedures related to keys and lock-outs are listed in Part 3: "Keys and Lock-outs".

## 2.12 KITCHENS

Whether a floor communal space or contained within a flat, all students are expected to demonstrate respect for the property, fellow community members and staff responsible for the maintenance and upkeep of their kitchen space.

FIE is committed to sustainable initiatives and committed to the environment; as such, all members of the FIE community are encouraged to consider food waste while cooking, participate in sustainable cooking and food production, and recycle packaging materials whenever possible.

### **General Regulations:**

- Residents are responsible for cleaning their own dishes and utensils. Please note the Housekeeping Team will not wash dishes.
- Personal items such as food and cooking utensils should be properly stored in cupboards and fridges.
- Residents are responsible for removing their rubbish and placing it in the rubbish store. The Housekeeping Team will not remove rubbish.

Students with medical needs in contradiction to this policy may contact FIE's Administration and Accessibility Manager.

## 2.14 PROPERTY, FURNITURE AND DECORATIONS

Residents are encouraged to create a comfortable and welcoming community within their residences and rooms; however, they are equally expected to respect FIE facilities, furniture and property in all FIE buildings.

Any resident requiring specific furniture or residence accommodation should contact the Directors of Facilities and/or Residence Life.

### **General Regulations: Damages**

Damages and normal wear and tear to FIE property, furniture and facilities should be reported immediately to the Facilities Team; further information regarding this process is located in Part 4.8: Maintenance Request and Reporting Information.

Wilful damage to or destruction of FIE property or furniture (i.e. vandalism) will result in disciplinary action and restitution.

Residents are jointly responsible for property and furniture, and damages therein, in their shared spaces, including flat common rooms, kitchens, residence common rooms and study labs.

### **General Regulations: Decorations and Furniture**

- For health and safety reasons, residents may not move FIE furniture.
- FIE furniture may not be removed from rooms, flats or residences. This includes kitchen items such as crockery, silverware, pots, pans, utensils and electrical items.
- Residents may not use paint, wallpaper, double-sided tape, heavy duty tape, screws, tacks, or nails, in their residence rooms, flats or communal spaces.

## 2.15 SEXUAL MISCONDUCT

Sexual misconduct is strictly not tolerated by FIE; this includes but is not limited to relationship violence, sexual or gender based harassment, and sexual assault.

FIE abides and is governed by the definitions and guidelines stated in the United Kingdom's [Sexual Offences Act of 2003](#). Any reports of sexual misconduct within, by or against the FIE community are subject not only to FIE's policies and disciplinary action but also this national law. Any acts of

sexual misconduct that violates additional FIE expectations policies and/or UK laws are subject to those governing policies.

All members of the FIE community are expected to foster a respectful and supportive community. Additionally, all should familiarize themselves with related laws, policies and guidelines in order to continue to foster such a community and discourage misconduct.

FIE is dedicated to maintaining the health and well-being of all community members and, as such, FIE faculty, staff and students are encouraged to report any concerns about or incidents related to sexual misconduct.

FIE respects an individual's privacy and will, whenever possible, maintain the strictest confidentiality with regards to reporting concerns or incidents.

## 2.16 SMOKING AND TOBACCO PRODUCTS

Smoking and the use of tobacco products are prohibited in all FIE facilities including residence halls, Foundation House and outsourced classroom space. This includes electronic cigarettes (e-cigarettes) and vaporizers; any lit cigarette, clove or scented cigarette, pipe, cigar, cigarillo, hookah smoked products or other smoking product; and smokeless tobacco.

### Local Regulations

- Under regulations of the Royal Borough of Kensington and Chelsea it is a littering offense to dispose of cigarette butts/ends on the streets, pavements or in gutters, and is liable for a £80 charge.

## 2.17 QUIET HOURS AND NOISE

Policies and regulations regarding quiet hours and noise reflect the laws of the Royal Borough of Kensington and Chelsea.

### General Regulations:

- Quiet Hours begin at **11pm** every night.
- Groups should not congregate on the front steps and pavements outside of FIE residences. This includes, and is not limited to, waiting for taxis.
- Members of the FIE community should be aware of and respectful of work spaces such as the Facilities Support Desk at Metrogate, the Front Office at Foundation House and the Student Life Office in the basement of Foundation House.
- Courtesy Hours are in place **24 hours a day** in respect for the wider community and in order to foster a positive academic environment. In order to reduce noise, residents are expected to comply with reasonable requests to turn down music, videos, TV or close windows.

- Audio devices playing within the residences should be set to a reasonable volume, and should not be audible outside individual rooms or flats.
- Audio devices should never be placed near open windows or on windowsills, or played in outside areas (e.g. front porch, pavement) of FIE residences or facilities.
- Metropolitan Police and Police Community Support Officers have the right to ask groups of two or more people to leave an area under the Anti-Social Behaviour Act 2003.

In instances of noise violations FIE reserve the right to confiscate audio devices including, but not limited to, external or portable speakers. Students can request return of confiscated items at the end of their study abroad programme. It is the responsibility of the student to place such a request, and to ensure they retrieve confiscated items from the Residence Life Office at a time and date agreed upon with the Director of Residence Life or Residence Life Manager.

## **PART THREE: DISCIPLINARY MEASURES**

Members of the FIE community are expected to abide by the policies and procedures contained herein for the duration of their study abroad programme with FIE. It is expected they familiarise themselves with the policies, procedures and expectations of FIE and while some points will be reiterated during student orientation it is a student's responsibility to read this document and clarify any questions they may have; an ignorance of policy or expectation is not an acceptable excuse for a violation.

Students residing in outsourced housing are expected to abide by not only FIE's expectations but also policies and procedures specific to their residence.

Equally, the rules of students' partner institutions (home institutions, receiving institutions and receiving organisations) apply during their time in London; this includes codes of conduct, honour codes, and additional expectations of programmes abroad. While FIE does not actively enforce policies beyond their own, partner institutions and their site staff (i.e. visiting faculty) will be notified of any community concerns or policy violations and reserve the right to invoke their disciplinary procedure. Partner institutions reserve the right to invoke their own disciplinary procedure.

FIE's Code of Conduct and any violations thereof are addressed jointly by the Student Life and Residence Life Offices.

Depending on the severity of the incident, outcomes can range from a verbal warning through to removal from the residence or their study abroad programme.

Failure to comply with Disciplinary Measures or any action deemed to interfere with or obstruct the disciplinary process, including and not limited to failure to appear at a conduct hearing and disrespectful actions towards staff, can result in escalation of Disciplinary Measures and impact resultant disciplinary sanctions.

### **3.1 BEHAVIOURAL NOTIFICATION FORMS (BNFs)**

The primary course of action, for minor indiscretions, is a verbal or written warning from a Residence Life Supervisor (RLS) or other FIE Staff as appropriate.

However, in some instances a Behavioural Notification Form (BNF) is issued to residents. This is a formal documentation that an alleged action, behaviour or incident is unacceptable within FIE's community expectations and policies. A BNF can address repeated behaviour or violations where previous conversations and warnings have not produced the appropriate response or be utilised immediately in response to a serious infraction.

The Student Life and Residence Life Offices receive a copy of all BNFs issued and will determine the appropriate follow-up. Additionally, copies of BNFs

may be shared with residents' home institution, visiting faculty and/or site staff.

Violations of UK Health and Safety Law will result in an immediate BNF being issued.

## 3.2 CONDUCT PROCESS

Any alleged violations of FIE policies and procedures are reported to the Student Life and Residence Life Offices and the appropriate response will be determined. Failure to comply with FIE Conduct Processes may result in further disciplinary sanctions.

### Letters of Warning

First time or minor violations may be addressed via a letter of warning (sent electronically) from the Student Life or Residence Life Offices; a policy or community reminder email from the Residence Life Supervisors (RLS) does not constitute a letter of warning. The letter will state the alleged violation and reiterate FIE's expectations with regards to the related policies and resident's behaviour for the duration of their programme.

Upon receipt of a letter of warning, a resident may request to meet with the FIE staff managing the case to further clarify the incident, policies or expectations; this meeting does not constitute a conduct hearing. If a resident wished to dispute the alleged violation stated in a letter of warning, they may do so via the appeals process.

Copies of letters of warning will be shared with the resident's site staff, visiting faculty and home institutions.

### Conduct Hearings

In instances involving repeated or more severe violations, it may be determined a formal meeting between the resident(s) and FIE staff is appropriate, resulting in a conduct hearing. The resident will receive notification of the alleged violation and the details of the scheduled hearing from the conduct hearing officer. In instances a BNF is issued, the resident will receive this in advance of the conduct hearing.

Conduct hearings may involve more than one resident. In this instance, each resident has the right to request an individual hearing; this must be done in advance of the scheduled hearing.

A conduct hearing provides an opportunity to discuss the alleged violation(s), sharing information or evidence to hand and offering the resident(s) the opportunity to share their perspective. The conduct hearing additionally provides a venue to clarify FIE's policies and procedures and answer any questions residents may have about these expectations.

While every effort is made to schedule conduct hearings in a timely manner, circumstances (e.g. conduct hearings with several residents) may dictate a delay in conducting the hearings and communicating decisions and sanctions. A resident's conduct hearing officer can address any questions residents may have about their case, its process and anticipated timeline for completion.

### **Conduct Hearing Officers**

Conduct hearing officers manage conduct cases, conduct the conduct hearings, send summons and decision letters, and are the residents' point of contact during their case's process. They often will be members of the Student Life and Residence Life Teams and most cases will have one hearing officer.

Due to a case's circumstances, more than one hearing officer may be present at conduct hearings and other departments (e.g. Academics) may also be represented; residents will be made aware of their conduct hearing officers prior to the conduct hearing. Additionally, site staff or visiting faculty from a resident's home institution may wish to be present at conduct hearings to represent the home institution's conduct process.

### **Emergency Situations**

In any instance in which a resident's decisions, actions or behaviour constitutes a perceived threat to the health and well-being of themselves or others, it may be determined immediate action not following the above process is required. This may include but is not limited to meeting with the residents concerned, temporarily suspending access to FIE buildings or activities, or notification of the home institution.

**NB** *The Student Life and Residence Life Offices do not adjudicate cases related to academic policies or procedures; therefore, the above processes do not apply to academic matters.*

## **3.3 DECISIONS AND SANCTIONS**

Upon the completion of all related conduct hearings, conduct hearing officers will make decisions regarding responsibility for the alleged violations. These decisions and any applicable sanctions will be communicated to the resident in a timely manner; if there is a delay in this communication, the conduct hearing officer will communicate an adjusted timeline for decisions to the resident.

### **Decision Letters**

Decision letters (sent electronically) will state the following:

- The conduct hearing officer's determination of "responsible" or "not responsible" for each alleged violation;

- Sanctions (if applicable);
- Sanction completion deadline;
- Appeals process.

A resident may contact the conduct hearing officer with questions regarding the decisions and sanctions; however, if they wish to contest a "responsible" finding or applied sanction, they must do so via the appeals process.

FIE decision letters contain information as it relates to FIE's policies, procedures, and expectations and FIE conduct hearing officers' decisions; decisions regarding alleged violations of a resident's home institution, as adjudicated by site staff or visiting faculty, will be communicated separately and is subject to a separate appeals process.

## Sanctions

In the event a resident is found responsible for a violation, the conduct hearing officer may apply sanctions. These include but are not limited to:

- **Written warning:** in cases concerning a first time and/or low level violation, a written warning serves as official documentation that the resident's behaviour was inappropriate and further violations of FIE's policies and procedures will result in additional and heightened disciplinary action;
- **Restitution/Charges for Damages:** in incidents where a resident's actions resulted in damage to another's property, residents found responsible may be required to pay for the necessary repairs, replacements, or additional work, i.e. cleaning; this applies to FIE property as well as the property of individuals (including other residents, FIE staff and FIE faculty). Restitution may also be made in the form of letters of apology;
- **Restrictions on housing privileges:** restrictions or removal of privileges as they relate to housing policies (e.g. guests);
- **Administrative move:** FIE reserves the right to move a resident to alternative FIE housing. In this instance, the resident incurs all costs related to the move (e.g. transportation between residences);
- **Residence Hall Probation:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, Residence Hall Probation serves as official documentation that further violations of FIE's policies and procedures may result in dismissal from FIE housing. Residence Hall Probation at a minimum is applied to violations of UK Law, including possession and/or consumption of drugs;
- **FIE Programme Probation:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, Programme Probation serves as official documentation that further violations of FIE's policies and procedures may result in dismissal from a resident's study abroad programme. Programme Probation may be applied:
  - Where both residential and non-residential (e.g. academic, non-residential communities) concerns or policy violations exist;
  - Egregious policy violations including but not limited to cases

concerning harassment, bullying, victimisation, or discrimination, violations of UK law, or failure to comply with or obstruction of FIE staff or faculty in the execution of their duties and responsibilities;

- In instances when a partner institution has confirmed a student removed from FIE housing can no longer participate in their study abroad programme.
- **Dismissal from FIE housing:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, FIE reserves the right to dismiss a resident from FIE housing. In this instance, the resident will not receive any refunds associated to their housing costs nor does FIE have the responsibility to arrange alternative housing for the dismissed resident.
- **Dismissal from FIE Programme:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, FIE reserves the right to dismiss a resident from their FIE programme. In this instance, the student will not receive any refunds associated with their programme costs nor does FIE have any responsibility to assist the dismissed student in arranging for their departure from FIE housing, London, or the UK. Any academic or immigration (visa) implications related to the the dismissal will be communicated to the student by FIE, although FIE does not have responsibility for assisting a student in mitigating or managing these consequences.

With regards to sanctioning, conduct hearing officers may allow an extension on sanction deadlines but cannot reduce or remove an applied sanction once the decision letter has been sent. Any resident wishing to request a dismissal of or reduction to an applied sanction may appeal if their request meets the stated criteria in section 3.4.

### Community Sanctions

In cases where individual responsibility cannot be determined (e.g. noise), a general written warning may be sent to the community (i.e. room, flat, floor, or residence); this may include details regarding the concerns raised or complaints made, a reminder of FIE's policies and procedures, and expectations for residential behaviour.

In cases concerning property damage/vandalism, if individual responsibility cannot be determined following a reasonable investigation, FIE reserves the right to apply community restitution/charges. In these instances, the restitution/charges collected will be applied to the costs associated with necessary repairs to or replacements of the damaged property.

## 3.4 APPEALS PROCESS

Residents found responsible for a violation and given a subsequent sanction has the right to request an appeal. The name and contact information for the designated appeals officer will be included in the related case materials.

The appeal request must be made in writing (email is sufficient) to the appeals officer within seven (7) calendar days of the decision letter date. The appeals officer will consider the following points while determining if an appeal is warranted:

- A procedural error in the conduct process that directly and negatively impacted the outcome of the case;
- Alleged arbitrary or capricious decisions or actions that are unsubstantiated by the evidence available;
- New or additional evidence that was unavailable at the time of the initial hearing.

If an appeal is granted, the appeals officer will request a meeting with the appellant to discuss the case. The appeals officer will have full access to all materials related to the case (e.g. BNFs, incident reports) and may request to meet with the hearing officer(s). Following the meeting(s), and after reviewing all materials, the appeals officer will contact the appellant with their decision in writing.

The appeals officer will not increase the severity of any previous decision regarding responsibility or applied sanction(s) but reserves the right to uphold or dismiss previous decisions and sanctions partially or in their entirety.

All decisions by the appeals officer are final. All materials related to the appeals process, including the request and outcome, will be shared with the residents' home institution, visiting faculty and/or site staff.

**NB** *in some cases (including dismissal from FIE Housing or FIE Programme) the appeals process is not applicable; in these instances, the decisions and sanctions, including lack of appeal, will be made in conjunction with the home institution.*

**NB** *This above process does not apply to complaints and appeals related to Admissions or Academic matters; information on the [Academic Complaints and Appeals process](#) can be found on MyStudyAbroad@FIE and the [Admissions Appeals, Complaints and Feedback process](#) on the FIE website.*

*Additionally, the above process does not apply to conduct processes and decisions adjudicated by a resident's home institution, site staff and/or visiting faculty.*

## **PART FOUR: HOUSING PROCEDURES**

The following procedures and guidelines apply to FIE residence halls; when FIE students are housed in FIE organized outsourced housing, FIE students are expected to abide by the policies of their building of residence.

Procedures are subject to change and, whenever possible, changes will be confirmed to students either prior to arrival or during their orientation. Updates or changes that take place during their programme will be communicated by the appropriate staff member to students.

When in doubt, all members of the FIE community are encouraged to ask for clarifications in order to avoid miscommunication or misinterpretation.

### **4.1 CHECK-IN**

FIE students will receive a housing allocation email approximately thirty (30) days prior to their programme start date which contains information regarding their residence hall, programme start and end dates, and check-in and check-out times.

#### **General Regulations: Check-In**

- Check-in time at FIE residences is **2pm** on the programme start date.
- Students will be directed to the check-in place via the arrival email sent prior to their programme start date.
- In the event a programme's check-in time is not 2pm, this will be communicated via the housing allocation email.
- If students' rooms are ready prior to the stated check-in time, students may gain access; however, this is at the discretion of FIE staff and cannot be pre-arranged.
- Early arrivals cannot be accommodated.

### **4.2 CHECK-OUT**

All FIE residents will receive check-out information including their check-out time at least one week prior to their programme end date. Late check-out or housing extensions cannot be accommodated.

For programmes in FIE residences, the Residence Life Supervisors may complete pre-departure inspections of students' rooms and flats.

Electrics and electrical items should be turned off when not in use; this includes TVs, lights, cookers/ovens, transformers and irons. This not only reduces fire risk but also saves electricity and natural resources.

If a fuse is blown, residents should contact the Facilities Support Desk at

Metrogate.

Any questions or concerns can be directed to the Facilities Team at [facilities@fie.org.uk](mailto:facilities@fie.org.uk).

## 4.4 FIRE REGULATIONS AND EVACUATION

All members of the FIE community are expected to familiarize themselves with the evacuation plan for FIE facilities; these plans can be found in the entry way of the facilities.

Any questions or concerns can be direct to the Facilities Team at [facilities@fie.org.uk](mailto:facilities@fie.org.uk).

### General Regulations: In the Event of a Fire

- Exit the building quickly and carry a damp blanket or towel to protect you from flames and smoke.
- If it is safe to take the time to do so, lock your door and take your keys with you.

- Fire alarms and fire safety equipment are located in each building to save lives and property; always use them appropriately.

## 4.5 HOUSEKEEPING

Housekeeping staff clean the residences once a week; this includes kitchens, common areas and bathrooms. A cleaning schedule is located at the entrance of all residences. Please note normal cleaning will not be carried out during the last week of your stay.

Residents have responsibilities to assist FIE's Housekeeping Team in ensuring FIE's facilities and residences are clean and pest-free. FIE reserves the right to limit access to facilities and/or charge individuals, rooms, flats or floors for damages related to kitchen damages and extra cleaning costs.

Each resident is issued with a set of keys upon their check-in; this includes a room key and, if applicable, a flat and residence building key. Residents are responsible for their keys and should keep them in their possession at all time; under no circumstances should residents give their keys to guests or residents of other residence buildings.

In the interests of safety, residents should report lost or missing keys to the Facilities Team or Facilities Support Team immediately.

If lost or missing, residents are liable for a key replacement fee; replacement key set costs vary based on residence and a current price list can be obtained from the Facilities Team.

All keys must be returned to FIE upon check-out and departure from the residence.

In the event of a facilities emergency, residents should contact the FIE Emergency Number at the Facilities Support Desk in Metrogate immediately.

All questions regarding FIE facilities and residences can be directed to the Facilities Team at [facilities@fie.org.uk](mailto:facilities@fie.org.uk) or to their office in Foundation House.

FIE staff occasionally require access to student room and flats. This includes routine health and safety checks, housekeeping, visitor tours and pastoral care.

### **Facilities and Maintenance**

For routine access, residents can obtain housekeeping and health and safety inspection schedules from posted notices in their residence, their Residence Life Supervisors (RLS), or the Facilities and Facilities Support Teams.

Residents will be given at least 24 hours' notice for staff tours or visits to the buildings. Tours will be conducted around FIE buildings to show new staff and visitors from universities or other educational organisations. The same notice

period applies to scheduled but not routine maintenance. No notice will be given for staff responses to resident submitted maintenance requests as staff access is implied.

However, FIE recognizes our US based partners are governed by these regulations and is committed to providing related information as available to assist partners in their compliance with these laws.

It is important to note the United Kingdom and the Republic of Ireland may have different definitions for and legal classifications of the crimes outlined in Clery and Title IX which impedes a directly comparative reporting. These procedures not only provide as comprehensive and complete support to students and colleagues as possible but also comply with national UK, IE and US regulations related to reporting of serious crimes.

These reporting lines and notification responsibilities as well as legal requirements may impact guarantees of absolute confidentiality. Therefore, anyone reporting an incident, particularly one of a sensitive or personal nature, is encouraged to engage in open and honest conversations regarding support, assistance and confidentiality to fully understand these responsibilities and regulations.

Partner institutions should communicate any further expectations or home institution policies regarding confidentiality, particularly with regards to Title IX regulations, to FIE's Senior VP – Operations.

FIE's London Study Centre, residence halls, and facilities frequently utilized for academic and social purposes are located in this Borough. FIE Dublin utilizes the crime statistics reported by the [Central Statistics Office](#). These statistics can be utilized for campus interpretation.

home institutions and FIE faculty and staff; information in these instances will be shared on a need to know basis and with discretion.

FIE is committed to fostering an environment free of sexual harassment, intimidation or assault. As noted above with regards to the Clery Act, FIE will notify partners of any incidents that occur that violate the law or spirit of Title IX.

In the event a Title IX violation is reported while a student is on-site, FIE will communicate with the partner's programme coordinator.

FIE maintains a complete list of partners' Title IX Coordinators and will provide this contact information if asked for this information by students, visiting faculty or site staff.

Partner institutions, visiting faculty or site staff who launch an internal investigation regarding Title IX do so with the support and cooperation of FIE.

In order to support not only our partners but also our students, faculty and staff, FIE will:

- Compile and maintain a list of partners' designated Title IX Coordinators;
- Communicate any known Title IX violations to the designated Title IX Coordinator at the relevant partner institution;

In the event any member of FIE's community is made aware of or has reason to believe a violation of Title IX has occurred, they should immediately contact the Senior Vice President – Operations. The SVP, in turn, may convene the Emergency Incident Review Group for additional guidance and consideration.
