PART ONE: FIE COMMUNITY STANDARDS AND VALUES

Living in a residence requires all individuals to be responsible and respectful of the policies, procedures and standards that have been established to protect each student, ensure personal and FIE property is well-maintained and protected, and to maintain a reasonable sense of order and structure. The standards and values below, combined with the Residential Policies and Procedures, assist us in providing a safe, clean and academic environment.

1.1 COMMUNITY STANDARDS

As students, staff and faculty of FIE, we strive to:

- Unite all students as a part of the FIE Community, which equally values each member regardless of class or place of residence, their sex, sexual orientation, age, marital status, colour, creed, race, ethnic or national origin.
- Promote a shared responsibility for upholding the community values and standards amongst students and Residence Life staff.
- Increase communication and awareness of the community values and standards between students and staff.
- Encourage student and staff behaviours that demonstrate pride and respect for their living environments.

1.2 COMMUNITY VALUES

As a member of this community, I will:

- Practice personal and academic integrity.
- Accept responsibility for my own actions.
- Hold others accountable for their actions.
- Be a responsible, honest, active member of my residence community.
- Respect and care for myself, my friends, other people and their property.
- Accept responsibility for the actions of the members that I bring into the community.
- Follow all Residence Life Policies and Procedures as outlined in the FIE Code of Student Conduct.
- Follow all policies, procedures and expectations of my home university's guidelines.
- Value diversity and learn from differences in people, ideas and situations.
- Ask questions and actively listen in order to understand each member as an individual and avoid stereotypes.
- Be open to new ideas and to people who disagree with me.
- Respect and cooperate with FIE staff and personnel who work within our community.

- Recognize my role and responsibility to the community outside of my university and FIE.

PART TWO: RESIDENTIAL POLICIES AND REGULATIONS

2.1 ALCOHOL AND DRUGS POLICY

Policies and procedures related to alcohol and drug possession, use and distribution are based in national and local laws as well as FIE's commitment to fostering a safe, supportive and academic environment for our students. These policies apply to all FIE spaces, including but not limited to: in and around FIE residence halls; non-FIE residence halls in which FIE students reside; external academic spaces; FIE sponsored activities including extra-curricular events, co-curricular events and study tours; and FIE's academic partner institutions.

Students with the legal right to possess and/or consume alcohol must do so with responsibility and respect for themselves and others. FIE encourages students to promote healthy decisions and behaviours which ensure the use of alcohol does not negatively impact their academic goals and the larger FIE community.

All students will be held accountable for their actions and decisions made under the influence of alcohol and/or other drugs.

General Regulations: Alcohol

- Alcohol beverages may not be consumed and/or in the possession of any individual under the national legal drinking age; in the Republic of Ireland this is 18.
- Students of legal age may not distribute alcohol to any individual under the legal drinking age.
- Students of legal age who use or possess alcohol must do so in a manner which does not compromise the health, safety, well-being or respect for/of themselves or their community.
- Alcohol is prohibited in the common areas of FIE's residence halls, including: All residences' corridors, hallways, stairways and entrance areas and laundry areas.
- Alcohol consumption and the possession of open containers is prohibited on the front steps and pavements of FIE and non-FIE residence halls in which FIE students are resident.

- FIE staff reserve the right to request students (including those of legal age) to dispose of alcohol in order to address disruptive behaviours and/or groups.
- Possession of empty alcohol containers, including for decorative purposes, is prohibited. Empty alcohol containers may be removed and disposed of by FIE staff.

Local and National Regulations

- Under the Criminal Justice (Public Order) Act 1994, it is an offence for you to be so drunk in a public place that you could reasonably be presumed to be a danger to yourself or to anyone around you. If found guilty of this offence, you could be liable to a class E fine and a member of the Garda (Police) can confiscate any alcohol you may be carrying.
- Students are expected to abide by all local, city and federal laws and regulations regarding alcohol when traveling outside their FIE city of study. FIE encourages students to be proactive in becoming knowledgeable of regulations and laws prior to their travel and to be mindful and respectful of not only local laws but also customs and cultural expectations and practices.

General Regulations: Drugs

- Drug related paraphernalia is prohibited; this includes but is not limited to bongos, grinders, etc.

Residents in violation of FIE's fire safety policies may receive additional fines or prosecution in accordance with Irish health and safety laws.

General Regulations: Fire Alarms

- Evacuation for fire alarms is required of all occupants of FIE buildings whenever an alarm is sounded.
- Initiating a fire alarm is prohibited.

General Regulations: Fire Safety

2.5 FIRE ARMS AND WEAPONS

In accordance with Irish regulations, violators of firearms and weapons laws face criminal prosecution in addition to FIE and university sanctions.

Any threat of violence, including reference to use and/or possession of firearms or ammunition, will be treated as a serious and potentially life-threatening situation. Members of the FIE community are therefore expected to temper their language appropriately and report any concerning behaviour or language to FIE immediately.

General Regulations: Fire Arms and Weapons

- FIE prohibits the possession and/or use of weapons of any type in and around their facilities. This includes but is not limited to firearms, knives (excluding appropriate kitchen cutlery), and weapons used in hand-to-hand combat. *Students who pursue personal interests that include materials prohibited by this policy (e.g. martial arts, fencing) must speak with the Resident Director **prior to** bringing equipment in to FIE facilities.*

- On-line gambling (including browsing on-line gambling or gaming sites) is prohibited.

2.11 KEYS

Residents are issued keys upon check-in; keys are on loan to residents for the duration of their stay but remain the property of the residence. At no time should keys be sold, traded, given to or duplicated by another party.

Additional procedures related to keys and lock-outs are listed in Part 4: "Keys and Locks".

2.12 KITCHENS

Whether a floor communal space or contained within a flat, all students are expected to demonstrate respect for the property, fellow community members and staff responsible for the maintenance and upkeep of their kitchen space.

2.14 PROPERTY, FURNITURE AND DECORATIONS

Any resident requiring specific furniture or residence accommodation should contact the Resident Director/or Residence Life Supervisor.

Wilful damage to or destruction of FIE or Residence property or furniture (i.e. vandalism) will result in disciplinary action and restitution, and/or fines from the Property Management.

Residents are jointly responsible for property and furniture, and damages therein, in their shared spaces, including flat common rooms, kitchens, residence common rooms and study labs.

FIE abides and is governed by the definitions and guidelines stated in the Republic of Ireland's [CRIMINAL LAW \(SEXUAL OFFENCES\) ACT 2006](#). Any reports of sexual misconduct within, by or against the FIE community are subject not only to FIE's policies and disciplinary action but also this national law. Any acts of sexual

misconduct that violates additional FIE expectations policies and/or Irish laws are subject to those governing policies.

All members of the FIE community are expected to foster a respectful and supportive community. Additionally, all should familiarize themselves with related laws, policies and guidelines in order to continue to foster such a community and discourage misconduct.

FIE is dedicated to maintaining the health and well-being of all community members and, as such, FIE staff and students are encouraged to report any concerns about or incidents related to sexual misconduct.

FIE respects an individual's privacy and will, whenever possible, maintain the strictest confidentiality with regards to reporting concerns or incidents.

Smoking and the use of tobacco products are prohibited in all residences. This includes electronic cigarettes; any lit cigarette, clove or scented cigarette, pipe, cigar, cigarillo, hookah smoked products or other smoking product; and smokeless tobacco.

Local Regulations

- Under regulations of the Litter Pollution Act, 1997, it is a littering offense to dispose of cigarette butts/ends on the streets, pavements or in gutters, and is liable for a fine.

2.17 QUIET HOURS AND NOISE

You are staying in either Blackhall, Griffith or StayCity, all of which are residential areas where neighbours expect to be treated with respect at all times. Any rowdy or uncouth behaviour will not be tolerated.

Official quiet hours are from 10:30 pm to 8 am—where no noise may be made that is audible outside the Student Residence. However, out of respect for your neighbours, we expect that you will keep noise to a minimum at all times: no excessive noise is to be made within the Student Residence at any time.

It is of utmost importance that you recognise that you are part of a residential community – you are not on a university campus. A fine may in some cases apply to any student found in breach of this.

PART THREE: DISCIPLINARY MEASURES

Members of the FIE community are expected to abide by the policies and procedures contained herein for the duration of their study abroad programme with FIE. It is expected they familiarise themselves with the policies, procedures and expectations of FIE and while some points will be reiterated during student orientation it is a student's responsibility to read this document and clarify any questions they may have; an ignorance of policy or expectation is not an acceptable excuse for a violation.

Students residing in outsourced housing are expected to abide by not only FIE's expectations but also policies and procedures specific to their residence.

Equally, the rules of students' home institution apply during their time in Dublin; this includes codes of conduct, honour codes, and additional expectations of programmes abroad. While FIE does not actively enforce policies beyond their own, home institutions and their site staff (i.e. visiting faculty) will be notified of any community concerns or policy violations and reserve the right to invoke their disciplinary procedure.

FIE's Code of Student Conduct and any violations thereof are addressed by the FIE Dublin Resident Director

Depending on the severity of the incident, outcomes can range from a verbal warning through to removal from the residence or their study abroad program.

3.1 BEHAVIOURAL NOTIFICATION FORMS (BNFs)

The primary course of action, for minor indiscretions, is a verbal or written warning from a Residence Life Supervisor (RLS) or other FIE Staff as appropriate.

However, in some instances a Behavioural Notification Form (BNF) is issued to residents. This is a formal documentation that an action, behaviour or incident is unacceptable within FIE's community expectations and policies. A BNF can address repeated behaviour or violations where previous conversations and warnings have not produced the appropriate response or be utilized immediately in response to a serious infraction.

The Resident Director receives a copy of all BNFs issued and will determine the appropriate follow-up. Additionally, copies of BNFs may be shared with a residents' home institution, visiting faculty and/or site staff.

Violations of Irish Health and Safety Laws will result in an immediate BNF being issued.

3.2 CONDUCT PROCESS

Any alleged violations of FIE policies and procedures are reported to the Resident Director and the appropriate response will be determined.

Letters of Warning

First time or minor violations may be addressed via a letter of warning (sent electronically); the letter will state the alleged violation and reiterate FIE's expectations with regards to the related policies and resident's behaviour for the duration of their programme.

Upon receipt of a letter of warning, a resident may request to meet with an FIE staff member to further clarify the incident, policies or expectations; this meeting does not constitute a conduct hearing. If a resident wished to dispute the alleged violation stated in a letter of warning, they may do so via the appeals process.

Copies of letters of warning will be shared with the resident's site staff, visiting faculty and home institutions.

Conduct Hearings

In instances involving repeated or more severe violations, it may be determined a formal meeting between the resident(s) and FIE staff is appropriate, resulting in a conduct hearing. The resident will receive notification of the alleged violation and the details of the scheduled hearing from the conduct hearing officer. In instances a BNF is issued, the resident will receive this in advance of the conduct hearing.

Conduct hearings may involve more than one resident. In this instance, each resident has the right to request an individual hearing; this must be done in advance of the scheduled hearing.

A conduct hearing provides an opportunity to discuss the alleged violation(s), sharing information or evidence to hand and offering the resident(s) the opportunity to share their perspective. The conduct hearing additionally provides a venue to clarify FIE's policies and procedures and answer any questions residents may have about these expectations.

While every effort is made to schedule conduct hearings in a timely manner, circumstances (e.g. conduct hearings with several residents) may dictate a delay in conducting the hearings and communicating decisions and sanctions. A resident's conduct hearing officer can address any questions residents may have about their case, its process and anticipated timeline for completion.

Conduct Hearing Officers

Conduct hearing officers manage conduct cases, conduct the conduct hearings, send summons and decision letters, and are the residents' point of contact during their case's process. They often will be members of the Residence Life Team and most cases will have one hearing officer.

Due to a case's circumstances, more than one hearing officer may be present at conduct hearings and other partner institutions (e.g. DBS representative) may also be represented; residents will be made aware of their conduct hearing officers prior to the conduct hearing. Additionally, site staff or visiting faculty from a resident's home institution may wish to be present at conduct hearings to represent the home institution's conduct process.

Emergency Situations

In any instance in which a resident's decisions, actions or behaviour constitutes a perceived threat to the health and well-being of themselves or others, it may be determined immediate action not following the above process is required; this may include but is not limited to meeting with the residents concerned, temporarily suspending access to FIE buildings or activities, or notification of the home institution.

NB *The Resident Director does not adjudicate cases related to academic policies or procedures; therefore, the above processes do not apply to academic matters.*

3.3 DECISIONS AND SANCTIONS

Upon the completion of all related conduct hearings, conduct hearing officers will make decisions regarding responsibility for the alleged violations. These decisions and any applicable sanctions will be communicated to the resident in a timely manner; if there is a delay in this communication, the conduct hearing officer will communicate an adjusted timeline for decisions to the resident.

Decision Letters

Decision letters (sent electronically) will state the following:

- The conduct hearing officer's determination of "responsible" or "not responsible" for each alleged violation;
- Sanctions (if applicable);
- Sanction completion deadline;
- Appeals process.

A resident may contact the conduct hearing officer with questions regarding the decisions and sanctions; however, if they wish to contest a "responsible" finding or applied sanction, they must do so via the appeals process.

FIE decision letters contain information as it relates to FIE's policies, procedures, and expectations and FIE conduct hearing officers' decisions; decisions regarding alleged violations of a resident's home institution, as adjudicated by site staff or visiting faculty, will be communicated separately and is subject to a separate appeals process.

Sanctions

In the event a resident is found responsible for a violation, the conduct hearing officer may apply sanctions. These include but are not limited to:

- **Written warning:** in cases concerning a first time and/or low level violation, a written warning serves as official documentation that the resident's behaviour was inappropriate and further violations of FIE's policies and procedures will result in additional and heightened disciplinary action;
- **Fines/restitution:** in incidents where a resident's actions resulted in damage to another's property, residents found responsible may be required to pay for the necessary repairs or replacements; this applies to FIE property, residence halls, as well as the property of individuals (including other residents, FIE staff and FIE faculty). Restitution may also be made in the form of letters of apology;
- **Restrictions on housing privileges:** restrictions or removal of privileges as they

- relate to housing policies (e.g. guests);
- **Administrative move:** FIE reserves the right to move a resident to alternative housing. In this instance, the resident incurs all costs related to the move (e.g. transportation between residences);
 - **Residence Hall Probation:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, Residence Hall Probation serves as official documentation that further violations of FIE's policies and procedures may result in dismissal from FIE housing. Residence Hall Probation will be applied to violations of Irish Law;
 - **Dismissal from FIE housing:** in cases concerning repeat and/or severe violations of FIE's Code of Conduct, FIE reserves the right to dismiss a resident from housing. In this instance, the resident will not receive any refunds associated to their housing costs nor does FIE have the responsibility to arrange alternative housing for the dismissed resident.

With regards to sanctioning, conduct hearing officers may allow an extension on sanction deadlines but cannot reduce or remove an applied sanction once the decision letter has been sent. Any resident wishing to request a dismissal of or reduction to an applied sanction may appeal if their request meets the stated criteria in section 3.4.

Community Sanctions

In cases where individual responsibility cannot be determined (e.g. noise), a general written warning may be sent to the community (i.e. room, flat, floor, or residence); this may include details regarding the concerns raised or complaints made, a reminder of FIE's policies and procedures, and expectations for residential behaviour.

In cases concerning property damage/vandalism, if individual responsibility cannot be determined following a reasonable investigation, FIE reserves the right to apply community restitution/fines. In these instances, the restitution/fines collected will be applied to the costs associated with necessary repairs to or replacements of the damaged property.

3.4 APPEALS PROCESS

Residents found responsible for a violation and given a subsequent sanction has the right to request an appeal. All appeals should be directed to the Resident Director. In some cases, an alternative appeals officer may be deemed appropriate; their name and contact information will be included in the related case materials.

The appeal request must be made in writing (email is sufficient) to the appeals officer within seven (7) calendar days of the decision letter date. The appeals officer will consider the following points while determining if an appeal is warranted:

- A procedural error in the conduct process that directly and negatively impacted the outcome of the case;
- Alleged arbitrary or capricious decisions or actions that are unsubstantiated by the evidence available;
- New or additional evidence that was unavailable at the time of the initial hearing.

If an appeal is granted, the appeals officer will request a meeting with the appellant to discuss the case. The appeals officer will have full access to all materials related to the case (e.g. BNFs, incident reports) and may request to meet with the hearing officer(s). Following the meeting(s), and after reviewing all materials, the appeals officer will contact the appellant with their decision in writing.

The appeals officer will not increase the severity of any previous decision regarding responsibility or applied sanction(s) but reserves the right to uphold or dismiss previous decisions and sanctions partially or in their entirety.

All decisions by the appeals officer are final. All materials related to the appeals process, including the request and outcome, will be shared with the residents' home institution, visiting faculty and/or site staff.

NB *in some cases (e.g. violations of Irish Law) the appeals process is not applicable; in these instances, the decisions and sanctions, including lack of appeal, will be made in conjunction with the home institution.*

NB *This above process does not apply to complaints and appeals related to Admissions or Academic matters; information on the [Academic Complaints and Appeals process](#) can be found on MyStudyAbroad@FIE and the [Admissions Appeals, Complaints and Feedback process](#) on the FIE website.*

Additionally, the above process does not apply to conduct processes and decisions adjudicated by a resident's home institution, site staff and/or visiting faculty.

PART FOUR: HOUSING PROCEDURES

The following procedures and guidelines apply to Blackhall, Griffith and Staycity residences.

Procedures are subject to change and, whenever possible, changes will be confirmed to students either prior to arrival or during their orientation. Updates or changes that take place during their programme will be communicated by the appropriate staff member to students.

When in doubt, all members of the FIE community are encouraged to ask for clarifications in order to avoid miscommunication or misinterpretation.

4.1 CHECK-IN

FIE students will receive a housing allocation email approximately thirty (30) days prior to their programme start date which contains information regarding their residence hall, programme start and end dates, and check-in and check-out times.

Upon move-in, please review your apartment for damage and ensure that you report any pre-existing damage to an RLS or to the relevant member of the housing staff, so that you are not held responsible for it on departure. While you are here please treat your apartment/room as you would your own home by properly looking after it.

4.2 CHECK-OUT

All FIE residents will receive check-out information including their check-out time at least one week prior to their programme end date. Late check-out or housing extensions cannot be accommodated.

Residence Life Supervisors will complete pre-departure inspections of students' rooms and flats.

All check-outs must occur on the day of your departure, as specified in your pre-departure materials, or at the time of your group airport transfer--any departure before or after this date must be approved directly by the Resident Director. Please go through the following list and ensure you have done everything on it before your departure. If this is not completed, you will be liable for a fine. Failure to pay fines will result in your final grade report/transcript being withheld.

- Remove all your food from the apartment and thoroughly clean refrigerator and freezer.
- Bring any non-perishable food, electrical goods, clothes, books and cleaning fluids/cosmetics etc. to the RLS apartment for charity donation.
- Secure all rubbish in suitable garbage bags and place them in the appropriate outside bin.

- Return your apartment/bedroom to the original condition including wiping down surfaces and cleaning floors.
- Return your shared living area to the original condition including cleaning all surfaces, kitchen countertops and washing dishes.
- Return your bathroom to a sanitary condition a sanitary condition by cleaning and bleaching the toilet bowl and wiping down the shower and sink.
- Leave carpets and furniture free from burns, stains and other damage.
- Return furniture to its original configuration.
- All keys must be returned prior to departure. See 4.6 "Keys and Locks".

4.3 ELECTRICAL APPLIANCES AND FUSES

Ireland operates on 230 volts, which is twice that of US voltage and different from many other countries. Residents, therefore, should use both adaptors and power converters/transformers to avoid damage to their own and residence property.

Electrics and electrical items should be turned off when not in use; this includes TVs, lights, cookers/ovens, transformers and irons. This not only reduces fire risk but also saves electricity and natural resources.

If a fuse is blown, residents should contact the RLS, Property Management, or Maintenance team. Any questions or concerns can also be directed there.

4.4 FIRE REGULATIONS AND EVACUATION

All members of the FIE community are expected to familiarize themselves with the evacuation plan for FIE and residence facilities; these plans can be accessed from your RLS or Property Management Team.

General Regulations: In the Event of a Fire

- If you smell smoke or detect a fire, activate the nearest alarm and call 999 or 112 immediately from a safe location.
- Before opening any door, use the back of your hand to see if it is hot. If it is, leave it closed, place wet towels or clothes under the door and open a window. If the door is not hot, open it slowly and be prepared to close it quickly if necessary.
- Exit the building quickly and carry a damp blanket or towel to protect you from flames and smoke.
- If it is safe to take the time to do so, lock your door and take your keys with you.
- Use stairways not elevators; if you see or smell smoke in a hall or stairway, use another exit.
- Once outside, move to your designated emergency assembly point.
- Do not return to an evacuated building until the all-clear signal is given by the designated incident commander.

- Fire alarms and fire safety equipment are located in each building to save lives and property; always use them appropriately.

4.5 HOUSEKEEPING

Residents have responsibilities to ensure their residence is clean and pest-free. FIE reserves the right to limit access to facilities and/or charge individuals, rooms, flats or floors for damages related to kitchen damages and extra cleaning costs.

Additional guidelines and regulations related to Housekeeping can be found in Parts 2.7: "Food and Drink" and 2.12: "Kitchens".

General Regulations: Resident Responsibilities

- All students are responsible for tidying and cleaning their bedroom and flat to a reasonable standard. All occupiers within a student flat are jointly responsible for the cleaning, upkeep and maintenance of the common areas within that flat.
- Cleaning rotas should be written up at the beginning of semester so that each student has equal responsibility for keeping the flat clean and tidy on a regular basis.
- Do NOT leave your rubbish bags outside your apartment/room or in the hallway.

Residents will be given at least 24 hours' notice for staff tours or visits to the buildings. Tours will be conducted around FIE buildings to show new staff and visitors from universities or other educational organisations. The same notice period applies to scheduled but not routine maintenance. No notice will be given for staff responses to resident submitted maintenance requests as staff access is implied.

However, in some instances, advanced notice may not be possible. Any concerns over the identity of maintenance workers in your flat/room should be verified with the Property Management Team or the RLS.

PART FIVE: US HIGHER EDUCATION LAWS

As FERPA, the Clery Act and Title IX are United States federal laws, they do not directly apply to FIE policies and practices. However, FIE recognizes our US based partners are governed by these regulations and is committed to providing related information as available to assist partners in their compliance with these laws.

It is important to note the Republic of Ireland may have different definitions for and legal classifications of the crimes outlined in Clery and Title IX which impedes a directly comparative reporting. Additionally, information provided by local authorities may not align directly with Clery and Title IX requirements.

In support of FIE's commitment to professional development, any staff member interested in learning more about or being trained to respond to incidents and concerns regarding the below laws and policies are encouraged to speak with the Vice President – Operations.

5.1 CONFIDENTIALITY

FIE respects an individual's right to privacy and is committed to supporting all members of its community with compassion and discretion.

Within the roles and responsibilities of FIE's staff, there are reporting lines and notification processes in place, including notification of partner visiting faculty and site staff. These procedures not only provide as comprehensive and complete support to students and colleagues as possible but also comply with national Irish and US regulations related to reporting of serious crimes.

These reporting lines and notification responsibilities as well as legal requirements may impact guarantees of absolute confidentiality. Therefore, anyone reporting an incident, particularly one of a sensitive or personal nature, is encouraged to engage in open and honest conversations regarding support, assistance and confidentiality to fully understand these responsibilities and regulations.

Partner institutions should communicate any further expectations or home institution policies regarding confidentiality, particularly with regards to Title IX regulations, to FIE's VP – Operations.

5.2 CLERY ACT

For the purposes of reporting incidents to US partners, FIE uses the incident categories stated in the Jeanne Clery Act (20 U.S.C. § 1092(f): Disclosure of campus security policy and campus crime statistics) and as outlined by the [Clery Centre for Security on Campus](#):

- Murder;
- Sex offenses, forcible or nonforcible;
- Robbery;
- Aggravated assault;
- Burglary;
- Motor vehicle theft;
- Manslaughter;
- Arson; and
- Arrests or persons referred for campus disciplinary action for liquor law violations, drug-related violations, and weapons possession; and
- Crimes ... of larceny-theft, simple assault, intimidation, and destruction, damage or vandalism of property, and of other crimes involving the bodily injury to any person, in which the victim is intentionally selected because of the actual or perceived race, gender, religions, sexual orientation, ethnicity, or disability of the victim

FIE will annually communicate with partners any incidents that occur within FIE facilities that violate the above laws. Please note FIE is committed to maintaining the confidentiality of persons involved in sensitive and personal incidents and therefore identifying details such as name, gender and home institution may not be shared with all partners.

For the purposes of reporting incidents that occur outside of FIE facilities, FIE Dublin utilizes the crime statistics reported by the [Central Statistics Office](#). These statistics can be utilized for campus interpretation.

5.3 FERPA

As designated by the [Family Educational Rights and Privacy Act](#) (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99), FIE will not release nor discuss students' information to a third party without their consent; this includes names, contact information, grades and academic standing, internship placements, and judicial cases.

Information that is shared as a matter of course with partner institutions and their on-site representative staff includes application materials, housing allocations, internship placements, transcripts and final grades, student welfare and behavioural concerns.

This exchange of information is in accordance with contracts between FIE and partner institutions and is specific to these contracts; FIE assumes partner institutions communicate this with their students in preparation for their study abroad programme.

An emergency incident and/or concerns regarding a student's health and well-being, be it physical, mental, emotional or academic, may constitute additional information being shared with visiting faculty, partner site staff, home institutions and FIE faculty and staff; information in these instances will be shared on a need to know basis and with discretion.

5.4 TITLE IX

In accordance with [Title IX Education Amendments of 1972 \(20 U.S.C. § 1681 et seq.\)](#), and consistent with FIE's policies regarding discrimination and equal opportunity, FIE prohibits any discrimination on the basis of sex or gender.

FIE is committed to fostering an environment free of sexual harassment, intimidation or assault. As noted above with regards to the Clery Act, FIE will notify partners of any incidents that occur that violate the law or spirit of Title IX.

In the event a Title IX violation is reported while a student is on-site, FIE will communicate with the partner's programme coordinator.

FIE maintains a complete list of partners' Title IX Coordinators and will provide this contact information if asked for this information by students, visiting faculty or site staff.

Partner institutions, visiting faculty or site staff who launch an internal investigation regarding Title IX do so with the support and cooperation of FIE.

In order to support not only our partners but also our students, faculty and staff, FIE will:

- Compile and maintain a list of partners' designated Title IX Coordinators;
- Communicate any known Title IX violations to the designated Title IX Coordinator at the relevant partner institution;
- Provide internal training on Title IX policies to current FIE staff and faculty;
- Train new FIE staff and faculty on these responsibilities and reporting lines during new staff inductions;
- Make our policies and expectations regarding all conduct, including Title IX, transparent and available to all staff, faculty, prospective and current students;
- Provide annual reports to partners in line with Clery Act reporting guidelines.

In the event any member of FIE's community is made aware of or has reason to believe a violation of Title IX has occurred, they should immediately contact the Vice President – Operations. The VP, in turn, may convene the Emergency Incident Review Group for additional guidance and consideration.
